WETRO 3.0

MOUNTING INSTRUCTION

1 Pass the cable of the LED module through the glass shade and the cap.

2 **POWER CONNECTION**
Connect to 220-240V.
Connect the wires in the ceiling base (see separate instructions manual from the ceiling base).

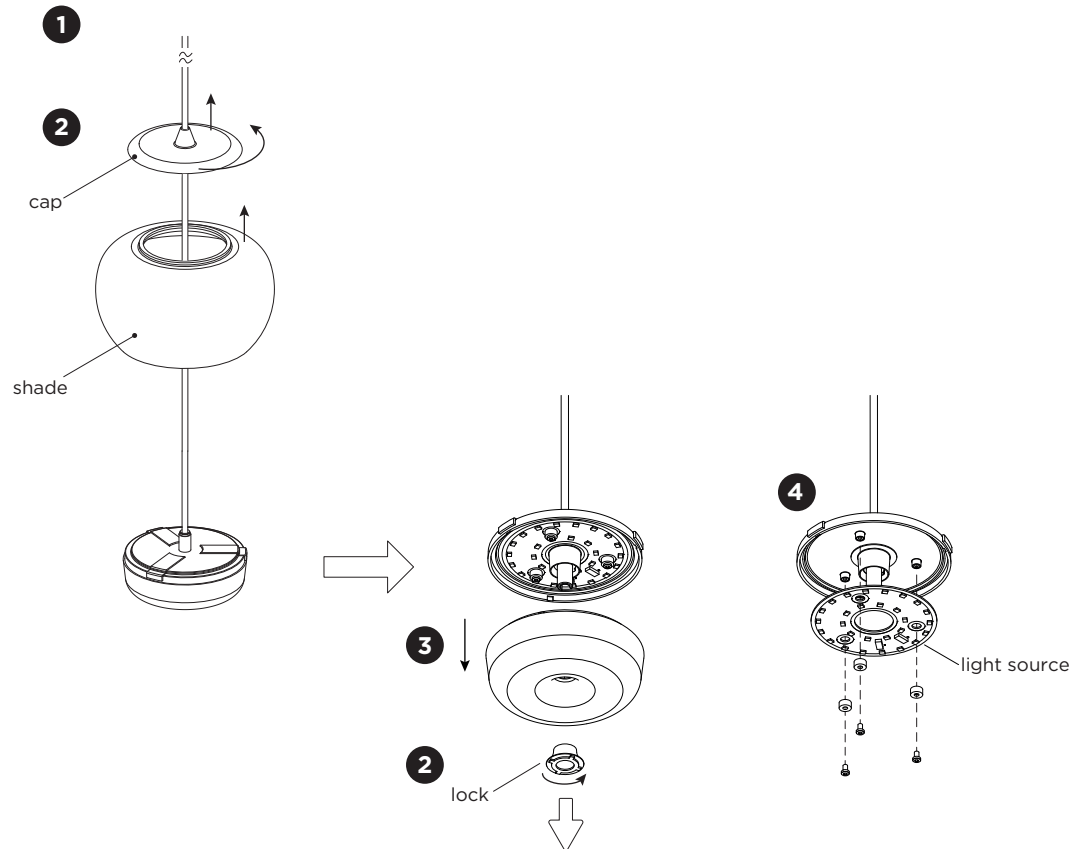

3 Tighten the cap after balancing the glass in a straight way by screwing it on the LED module.

4 Optionally use the hook to support the cable.
