Ready-to-use 7,5m Lumet String Light with Kit with 5 black Lamp Holders,
Hook and Plug

Cable colour: CF10

Description

Lumet System is a terrific way to brighten your garden or gazebo. They also work effectively indoors for festive gatherings.

With these wonderful fabric cable colours, you will discover all you need to easily create the ideal atmosphere for your social event.

This includes the Schuko plug, hook and 5 E27 bulb holders. The hook allows you to cross the wires or run them parallel to suit your preference and when the summer is over the whole assembly is easy to unhook, unplug and pack away.

All accessories are compatible with any E27 LED bulb. You can choose to buy the version already provided with bulbs or without.

Accessories for wall mounting Lumen, if required, are sold separately.
